

# Baltic Hybrid Threat Daily Report

Report date: 2026-08-29

Region: Baltic states and Poland

This report is generated automatically from open-source monitoring data.

## Executive summary

| Metric              | Value   |
|---------------------|---------|
| Threat Index        | 27.60   |
| Threat Level        | GUARDED |
| Events              | 25      |
| Incidents           | 5       |
| Activity            | 0       |
| Indicators          | 14      |
| Assessments         | 6       |
| Highest event score | 40      |

## Subtype breakdown

| Subtype    | Events | Score total | Average score |
|------------|--------|-------------|---------------|
| Incident   | 5      | 157         | 31.40         |
| Activity   | 0      | 0           | 0.00          |
| Indicator  | 14     | 126         | 9.00          |
| Assessment | 6      | 0           | 0.00          |

## Country overview

| Country   | Events | Incidents | Average score | Highest | Level   |
|-----------|--------|-----------|---------------|---------|---------|
| Estonia   | 4      | 2         | 30.33         | 40      | GUARDED |
| Poland    | 7      | 1         | 11.29         | 22      | LOW     |
| Latvia    | 5      | 1         | 21.33         | 38      | GUARDED |
| Regional  | 7      | 1         | 7.00          | 18      | LOW     |
| Lithuania | 2      | 0         | 14.00         | 14      | LOW     |

## Top threat drivers

| Category                | Events | Score total | Average score | Highest |
|-------------------------|--------|-------------|---------------|---------|
| Sabotage                | 7      | 140         | 20.00         | 40      |
| Border Pressure         | 2      | 51          | 25.50         | 38      |
| Drone Incident          | 3      | 40          | 13.33         | 22      |
| Disinformation          | 4      | 17          | 4.25          | 7       |
| Critical Infrastructure | 1      | 14          | 14.00         | 14      |

## Actor exposure

| Actor   | Events | Score total | Average score | Highest |
|---------|--------|-------------|---------------|---------|
| Russia  | 21     | 228         | 10.86         | 40      |
| Belarus | 2      | 51          | 25.50         | 38      |
| EU      | 1      | 38          | 38.00         | 38      |
| NATO    | 1      | 14          | 14.00         | 14      |

## Critical events

| Score | Event                                                                                                                                                                                                                                                                           | Country   | Subtype   | Sources | Confidence |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|-----------|---------|------------|
| 40    | Estonia investigates suspected arson at Milrem Robotics facility amid Russia sabotage theory - EUalive                                                                                                                                                                          | Estonia   | Incident  | 1       | 38         |
| 39    | Estonia Probes Suspected Russian Sabotage in Defense Plant Arson - UNITED24 Media                                                                                                                                                                                               | Estonia   | Incident  | 1       | 38         |
| 38    | DW News. . Latvian authorities have discovered another tunnel under the country's border fence to Belarus. They believe it to be an underground route to smuggle migrants into the European Union. Latvia, along with Lithuania and Poland, say Belarus is delib - facebook.com | Latvia    | Incident  | 1       | 38         |

| 18    | Poland and Baltic states face rising Russian sabotage - UK Defence Journal                                                                                                                                                                                                      | Poland    | Indicator | 2       | 56         |
| 18    | Suspected Russian Drone Shot Down in Romanian Airspace - The Moscow Times                                                                                                                                                                                                       | Regional  | Incident  | 1       | 38         |
| 14    | Lithuania Warns Russia Could Stage False Flag Attacks on Baltic Critical Infrastructure - ██████. ████████████████████.                                                                                                                                                         | Lithuania | Indicator | 1       | 38         |
| 13    | Latvia's foreign minister warns of Russian sabotage acts in Europe - PBS                                                                                                                                                                                                        | Latvia    | Indicator | 1       | 38         |
| 13    | Border Guard chief: Belarus knew about tunnels on Latvian border                                                                                                                                                                                                                | Latvia    | Indicator | 1       | 38         |
| 12    | Estonia Probes Possible Russian Sabotage After Fire at Defense Firm Supplying Ukraine - Kyiv Post                                                                                                                                                                               | Estonia   | Indicator | 1       | 38         |
| 12    | Poland says Russia hired an assassin to kill an American in Warsaw, as sabotage and covert operations raise their head again - IntelliNews                                                                                                                                      | Poland    | Indicator | 1       | 38         |
| 10    | Ukraine Warns Russia Is Weighing Hybrid Strikes Against Baltic States - ██████. ████████████████████.                                                                                                                                                                           | Poland    | Indicator | 3       | 64         |

## Methodology

Event-based rule-driven OSINT threat intelligence model.

## Pipeline

- RSS and HTML source collection
- Threat relevance filtering
- Event clustering
- Primary country assignment
- Threat ontology classification
- Confidence scoring
- Threat Score Engine: threat\_score\_v3\_2\_current\_historical\_split
- Historical daily activity calculation
- 14-day rolling threat calculation
- Current 14-day top-event filtering
- Dashboard-optimized output

## Event ontology

**Incident:** Reported operational event such as drone incident, cyberattack, sabotage, border event or GPS interference.

**Activity:** Security or military activity shaping the threat environment.

**Indicator:** Early warning or information signal.

**Assessment:** Strategic, institutional or analytical background. It is not counted into the operational threat index.

## Warning

This dashboard is an OSINT monitoring aid. It does not confirm attribution and should not be treated as an official threat assessment.
